Objective
To build a web site to represent your team. You may opt for a single page or multiple pages.

Activity
The purpose of the web site is to identify yourself to the other students in the class and on your team. You should include some of the information on your resumes as well as some personal information. Come up with a name for your team as the heading of the page.

Submission
Upload the site to the CBE server before the end of lab. Submit an 81/2” x 11” sheet of paper with the team name, team members, and the URL to the page(s).
