Tuesday 5/8, we played against the Cubs. PHILLIP led us off with a single to third and later a beautiful triple, and ALEX hit a single to drive in our first run. IAN hit a single and had to slide to be safe, and then slid again at home. DOMINIC hit a single to the pitcher and GARRET hit a pop-up. DAVID had a super double to center and COLE had a double to right field, clearing all the bases, and then later hit a home run. Both JACOB and RYAN had super singles as well. SAIGE showed us great hustle with all the plays made in center field, while DANNY had some super stops at the pitchers mound and equally great throws to first base getting at least one out. Likewise NICK made some nice stops at second. We missed MAYA again, hope to see her son. SUPER GAME DODGERS!
