The Dodgers played a great game against the Cubs on Saturday (3/24). COLE made a fantastic out at first, assisted by PHILLIP as pitcher, while SAIGE kept home base covered as catcher. DAVID did some super fielding at third base to keep the runners from advancing and RYAN made a great tag at second. We had some terrific hits by GARRET straight up the middle, by DOMINIC to third, and by DANNY to second. NICK helped us drive in a run with his hit and ALEX was able to run all the bases. IAN made a fantastic slide and JACOB did a super job of outrunning the throw at first. It was an exciting game and we're proud of our “little” leaguers.
