4/10 - The DODGERS played an outstanding game Tuesday against the Reds. MAYA started off our fielding by making a great stop at short, followed by RYAN stopping a ball at second and GARRET making a fantastic stop and throw in center. SAIGE and JACOB led off our hitting spree with a single, both PHILLIP and COLE had doubles and ALEX and NICK had great hits to move our guys forward. DOMINIC and DAVID showed us teamwork as pitcher and catcher, while both DANNY and IAN had great stops and throws to first from the infield. What an awesome game DODGERS!
