The MIGHTY DODGERS played a terrific game against the Devil Rays Thursday (4/26). DOMINIC did some fantastic fielding with great back up in left center and an unassisted out at third base. GARRET also made a tremendous stop at second taking it hard in the chest. ALEX fielded the ball at third, almost making the tag. COLE showed us good hustle at short and had a terrific throw to first. We also had some great fielding by SAIGE at short. We had some fantastic hitting with DAVID smashing a double up the third base line, JACOB hit a single to third to advance our runners and scoring our first run, and IAN made a great slide at first. Other good hits were made by RYAN, NICK, PHILLIP and DANNY. We missed MAYA today, and hope she's back soon. WAY TO GO BIG BLUE.
